It has been another amazing month for the Duvall Chamber. We delivered 20 banners to businesses around the City to let shoppers know we are still here, are almost all friendly, and to come on in. The Chamber and the City partnered on these and hope it getting some of you noticed.

Also, kudos to Shaun Tozer, who coordinated the Construction Carnival. It had a great turn out for a cold, drizzly day. There were families everywhere, and we hope they made it to some of the businesses while they were in town.

Many of you donated raffle items for a fund raiser for Hopelink and also for the Duvall Historical Society, and checks for \$102.00 each are on there way to them.

Thanks also to all of you who volunteered their time to sell the tickets. It was a fun afternoon.

Janie and Sharon in the Chamber office have been busy getting applications out to folks to get their vendor booth space for Duvall Days and we are hoping for a good turn out. The more the merrier, so if you know someone that should have a booth and may not be on the past vendor list, please have them contact the Chamber office.

The Duvall Dirty Paws Dog Walk is off and running with sponsorship and vendor applications available. There will be an update at the meeting.

Our speaker this month is Ann Landry and she is going to be talking about the importance of "Keeping it Local" and we will all have a chance to share info about and refer businesses that we use and recommend in Duvall. I am looking forward to seeing you all there and learning about who you all do business with here in the Valley! Bring a pen and paper, I think you will be wanting to jot down referral information as we network after the meeting.

All the best, Peggy
