Member-to-Member Benefit Program

Shopping locally is one of the best ways to build a stronger, more prosperous community. The Duvall Chamber has implemented a Member to Member Benefit program, which promotes shopping locally. The way this program works would be for your business to give a discount to Duvall Chamber members who do business with you. You decide what the specifics of your offer will be. The discounts are published in our monthly newsletter.

If you would like to offer your fellow Duvall Chamber members a benefit for doing business with you and encourage shopping locally, please contact the Chamber office at 425-788-9182, or email info@duvallchamberofcommerce.com.

Help invest in your community's development. Every dollar spent at a locally owned business generates about three times more regional economic activity than a dollar spent at national chains.

This is a great reference guide for Duvall and Carnation residents, and a wonderful opportunity for our businesses to be showcased. If you did not place an ad this year, please consider it for next year. It is a great marketing tool at a great price and is mailed to over 7600 addresses in the 98019 and 98014 zip codes.
